

ISADORA PINZER

INTERIOR ARCHITECT

ABOUT ME

Seeking employment at a progressive Interior Design or Architectural Firm, focusing on 3D Rendering. I am passionate about digital rendering software, the schematic design process, and Scandinavian design. Looking to combine Interior Architecture, Psychology, and Sustainability in my career.

EXPERIENCE

INTERIOR DESIGN INTERN July 2022 - April 2023

LYF Architects - Andover, MA

- Worked on various projects such as multi-family high rise new construction, corporate, restaurants, residential, and more.
- Utilized Revit, AutoCAD and Bluebeam to prepare documents.
- Created realistic renderings using Revit and Enscape.
- Assisted with architectural work such as site plans, window placement, exterior paint, stairs, ramps, mailbox kiosks, and more.

INTERN

June - August 2021

A. Lee Interior Design - Derry, NH

- Met with potential clients throughout New England to determine their preferred design style, discuss challenges with the functionality of their current space, and gather measurements.
- Projects included residential kitchen and bathroom remodels, new construction, and small commercial property.
- Learned and utilized Chief Architect to prepare CAD drawings.

ACCOMPLISHMENTS

- Semi-Finalist in 2022 IES Fixture Design Competition
- Rendering featured in Endicott College Spring 2021 Student Invitational
- President of Endicott Percussion Ensemble, Fall 2023 - Present
- V.P. of Endicott Percussion Ensemble, Fall 2020 - Spring 2023
